Date: 26.07.2024

NOTIFICATION

In terms of Finance Department's Notification No. 7119-F (MED) dated 05/09/2013, Human Albumin (20% 100 ml) has been coded (01038009) with maximum approved rate of Rs.3,000/- (rupees three thousand only) under West Bengal Health Scheme, 2008.

Over the period of time, the price of Human Albumin & its different variants have been raised significantly and it needs revision as the price does not truly reflect the economic realities of present time. It is felt that the codification of Human Albumin is required to be reviewed in the interest of proper treatment of beneficiaries under WBHS.

After careful consideration of the matter, the Governor is now pleased to abolish the existing Code 01038009 & Rate of Rs.3,000/- as was fixed for Human Albumin (20%,100ml) and to allow the actual price of Human Albumin & all its variants in order to provide proper treatment of the beneficiaries under WBHS. Henceforth, the actual price of Human Albumin shall be taken into consideration for determination of admissibility in connection with reimbursement claims under WBHS.

This will take effect from the date of issuance of this order.

By Order of the Governor,

(K.A. Anwar, IAS)

Senior Special Secretary
